

Control Module NIBE™ SMO 20/40

NEW

Features of NIBE™ SMO 20/40

Multicolour display with user instructions and multilingual support

Controlled charge pump as accessory from NIBE.

Heating, cooling, pool heating step controlled extra heat source.

Clear information about status, operating time and all temperatures in the system is shown on the large and easy-to-read display.

NIBE SMO is compatible with NIBE Uplink

NIBE SMO 20/40

SMO 20/40 is an advanced, intelligence control module equipped with the new generation controller for good comfort, good economy and safe operation. Clear information about status, operating time and all temperatures in the system is shown on the large and easy to read display.

SMO 20/40 supports a broad range of different hydraulic schemes. The SMO 20/40 enables you to combine NIBE air/water heat pump with other equipment and create your own customized heating system. SMO 40 can control as many as eight heat pumps together in the same system.

SMO 20/40 together with NIBE heat pumps works smoothly in variety ways. For example;

- Connected to another heating source such as gas, oil, electricity or district heating.
- Connected to a NIBE water heater for the size required to meet your domestic hot water needs.
- If you have a swimming pool, the SMO 40 can connect your heat pump to your pool and heat that too.
- Systems controlled by the SMO 40 can also incorporate solar panels, enabling you to use solar energy as a complementary heat source when available

Please visit www.nibe.eu for further information.

Overview NIBE SMO 20/40

Table	Dimension mm (WxHxD)	Weight kg	Compatible outdoor units	Max nr of heat pumps	Additional energy before or after three way valve	Display outside heat pump room RMU 40	Swimming pool	Step control of extra heat source	Supervision of power load at house, fused controlled (3x400V)	Number of dockings supported	Number of heating controlled systems supported
NIBE SMO 20	360x410x120	4	F2030, F2040, F2300	1	Both possible	–	–	YES	–	MANY *	1
NIBE SMO 40	360x410x120	5	F2030, F2040, F2300	8	Both possible	YES	YES	YES	YES	MANY *	4

* NIBE SMO 20/40 can be connected in several different ways. Further option information is available at www.nibe.eu and in respective assembly instructions for the accessories used.
